

OB/GYN Referral Program Awards and Policy

Ob Hospitalist Group hires OB/GYN physicians for our obstetric hospital programs [across the United States](#). We are growing fast and continually seeking new clinical talent.

Referrals are one of the best ways to bring exceptional new physicians into our organization, and we offer lucrative awards to clinicians who successfully refer OB/GYNs for our team.

If you know a physician who would be a good candidate for our OB Hospitalist, Site Director, Traveler or Diplomat roles, please submit your referral through our [convenient online form](#). Our team will do the rest! If we hire a candidate you refer you will be eligible for the PEER award.

{ Referring clinicians will earn **\$5,000** per full-time* hire }

The following requirements must be met for award eligibility:

1. You have engaged with the candidate in conversation about OBHG opportunities.
2. The candidate has not been referred by another source within the last 12 months.
(Referral submissions are dated to determine eligibility in cases where the candidate is referred by more than one clinician.)
3. You have completed and submitted the [PEER OB/GYN Referral Form](#) along with a W-9 form (which will be provided by our team).
4. The candidate identified you as the referring clinician on their OBHG Employment Application. Only one individual may be listed as the referring clinician.
5. Once hired by OBHG, the candidate must work *five or more 24-hour shifts or 12 or more 12-hour shifts per 28-day block.
6. You will receive the PEER award payment after the new hire completes his/her/their first 30 days of full-time work for OBHG.

Ob Hospitalist Group reserves the right to modify or discontinue the PEER Program at any time. Any remaining award payments due to a referring clinician that are in process at the time of such change or discontinuance will be honored.
